

It is not too late....

Following is information about upcoming PSP Workshop, which can give you information on what you may need to complete your PSP application so you can qualify for extra \$\$ in your paycheck.

Professional Standards Program Certificate stipends are available to all members of the SEIU/AISP Bargaining Group.

*You are invited to attend one of the following **PSP Workshops** to learn more about the **Professional Standards Program.** We can also use this time to review any PSP Forms and paperwork you have already completed, with hopes of meeting the May 15 deadline.*

Each of the following workshops will be held at 4:30 in the Café at ESC
(subject to cancellation if I do not receive any RSVP's)

Tuesday, April 24

Wednesday April 25

Thursday April 26

Tuesday May 1

Wednesday May 2

Thursday, May 3

Wednesday May 9

Thursday, May 10

Cost is: \$ 5.00 per session for members

\$20.00 for non-members (which includes BAEOP membership).

Cost of the workshop and membership fee (if applicable), will be paid for by the AISP Grant as long as you are a member of SEIU/AISP. All you need to do is sign-in at one of the workshops and submit a completed BAEOP membership form. BAEOP will work with the District to get your fees paid.

Things to Think About before attending

- How many years have you worked in the field of education?
- How many years have you worked in other employment?
- What college classes have you taken?
- What continuing education classes have you taken?
- Have you taken classes or workshops that were required for your position?
- In what associations or organizations have you been a member, an officer, a committee chair or committee member? (i.e. PTSA, SEIU, BAEOP, or WAEOP).

BAEOP members will be available to help answer your questions and work with you to get you started on your Professional Standards Program (PSP) application. The next filing deadlines are May 15 and September 15, 2018.

Please RSVP to Paula Jo at bravep@yahoo.com if you plan to attend one of the above listed dates. This will help to make sure we have sufficient handouts available for those attending. **If others in your location did not receive this flyer please share this with your co-workers, so they too can get information about the PSP Certification.**
